

**SUNLAND SPRINGS VILLAGE MIXED DOUBLES
TENNIS TOURNAMENT MARCH 18-23, 2019**

FORMAT AND RULES FOR VIEWPOINT

This year we have decided to not hold in park playoffs, as SSV has chosen to get as many teams to play in their tournament as they possibly can. SSV have also decided to add an extra component to their tournament for Non-League players. For all the rules in both categories, please refer to the SSV official tournament website at <https://sites.google.com/site/ssvtournament/rules> or on the bulletin boards at both the East & West Courts.

In order to expediate registration and payment to SSV, we are going to hold a registration day on Sunday Feb 10, 2019 @ 3:00pm up at the East Courts. In order to register your team, you must provide your entry fee at the same time. Cash or Cheque payable to Viewpoint Tennis Club.

LEAGUE PLAYERS

- Players must have played 1 match or more in EVSTL during the 2018-2019 season.
- Entry Fee: \$30.00 per person / \$60.00 per team.
- As we know in previous years, it is always great to watch the in-park playoffs, so we have come up with a solution to give the teams that sign up in this category a chance to play some practise rounds against other teams in their level. The courts will be open for play on Saturday February 16 from 9:00 am – 3:00pm. At the time of registration, and once you have paid your entry fee, you will be able to sign up for these courts. During this practise play, balls will be provided.

NON-LEAGUE PLAYERS

- Players must be members of a park that is sanctioned by EVSTL.
- Eligible players cannot have played in the EVSTL 2018-2019 League season.
- Entry Fee: \$30.00 per person / \$60.00 per team
